

Mybook

Mybook is a social network Application.

Sign up page

The screenshot shows a web browser window with the address bar displaying 'localhost/mybook/signup.php'. The page has a dark blue header with the 'mybook' logo on the left and a green 'login' button on the right. The main content area is a light gray rectangle containing a white box with the title 'Sign up to mybook'. Inside this box, there are five input fields: 'Firstname', 'Lastname', 'Gender:' (a dropdown menu with 'Male' and 'Female' options), 'password', and 'Retype password'. Below these fields is a blue 'Sign up' button. The footer is a dark gray bar divided into three sections: 'TOOLS' with links to 'HTML & CSS', 'PHP', and 'Bootstrap'; 'USEFUL LINKS' with links to 'Imprint' and 'Help'; and 'CONTACT' with the email 'Abdulla: if20b225@technikum-wien.at' and the phone number '+43 010000000'. The Windows taskbar is visible at the bottom of the screen.

My followers

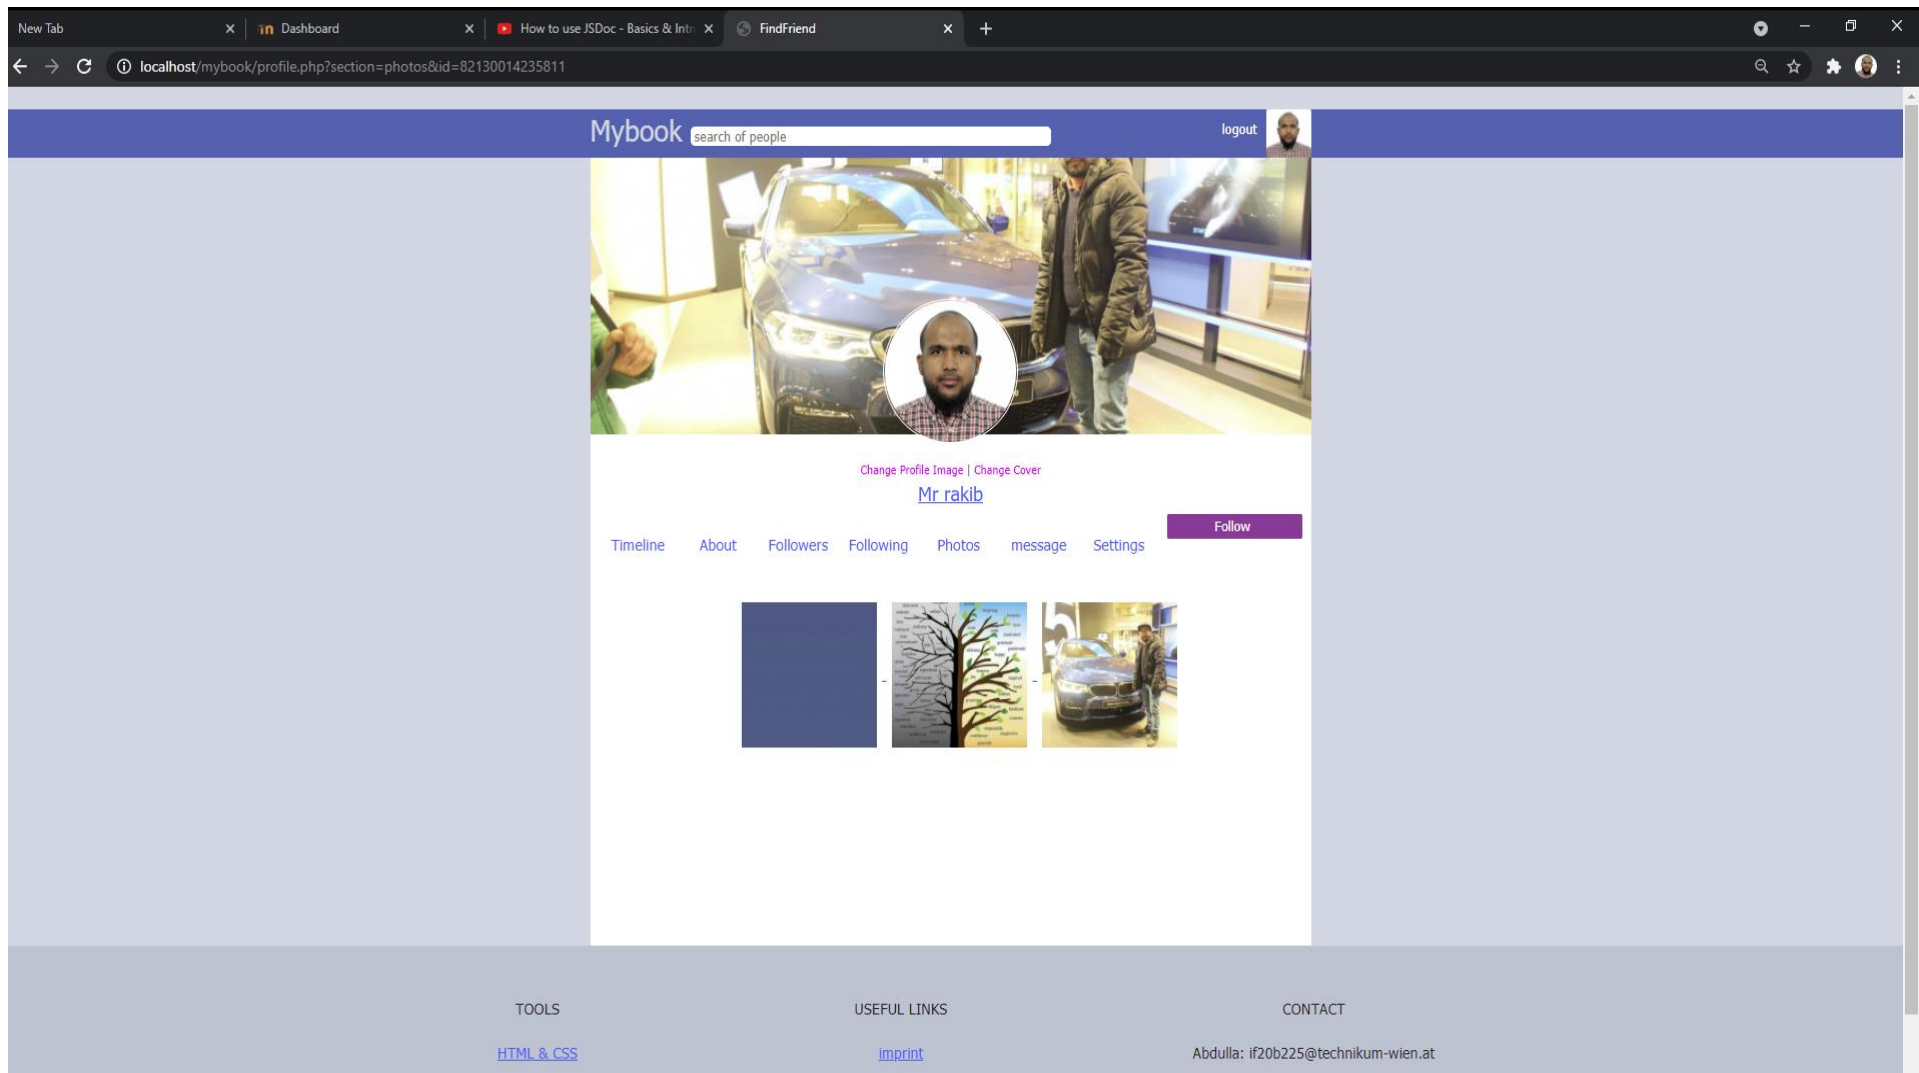

Here I have only one follower.

I am following these users

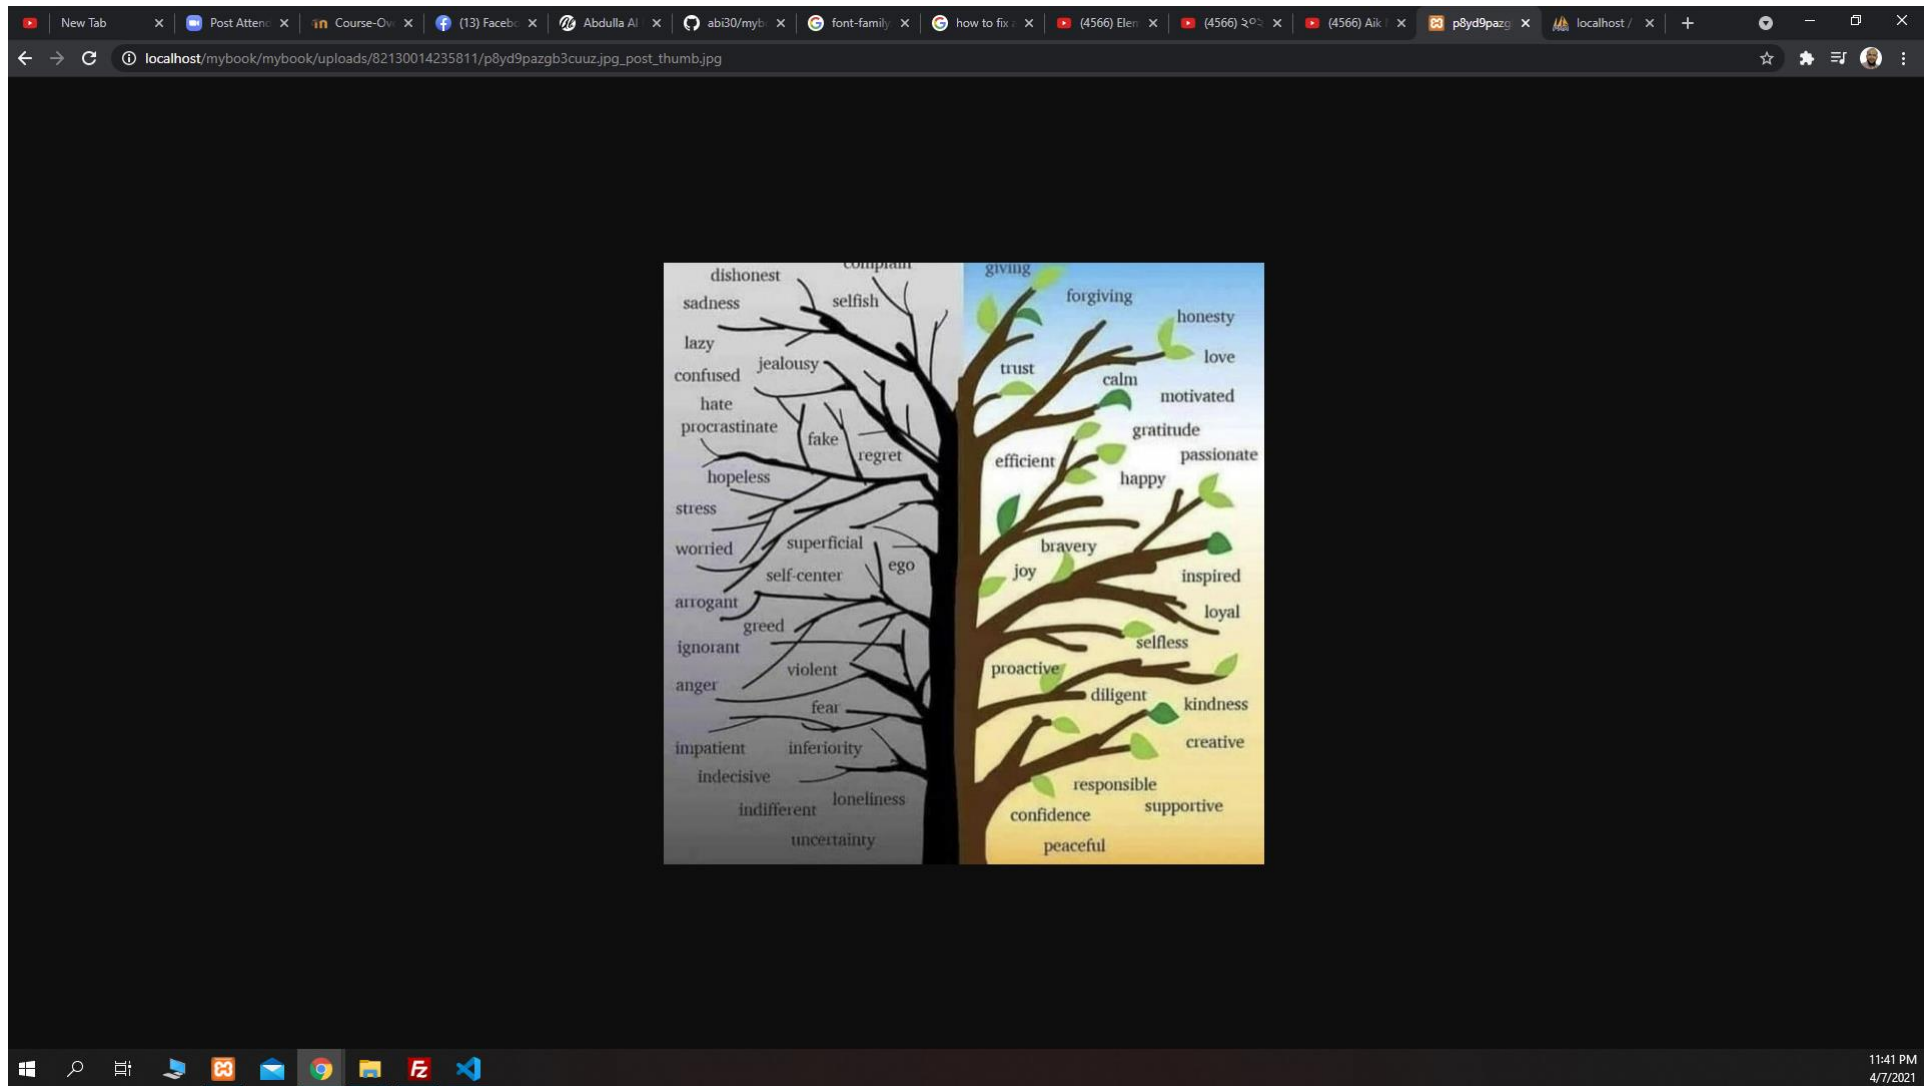

I am following miss Karmia and miss simu.

My photos gallery

I have only three picture in my Gallery.

I used fancy box for viewing images

I clicked no.2 picture from my gallery.

Profile setting

The screenshot shows a web browser window with the address bar displaying `localhost/mybook/profile.php?section=settings&id=82130014235811`. The page is titled "Mybook" and features a search bar with the text "search of people". A "logout" button is visible in the top right corner. The main content area displays a profile for "Mr rakib" with a circular profile picture and a cover image of a car. Below the profile picture, there are links for "Change Profile Image" and "Change Cover". The profile name "Mr rakib" is displayed in blue text. Below the name, there are tabs for "Timeline", "About", "Followers", "Following", "Photos", "message", and "Settings". A "Follow" button is located to the right of the tabs. The "About" tab is selected, showing a form with the following fields: "Mr" (text), "rakib" (text), "Male" (dropdown menu), "rakib@gmail.com" (text), "Rassword" (text), and "Rassword2" (text). Below these fields is a section titled "About me:" with a text area containing the text "i am a student of computer science in austria".

About me:

i am a student of computer science in austria

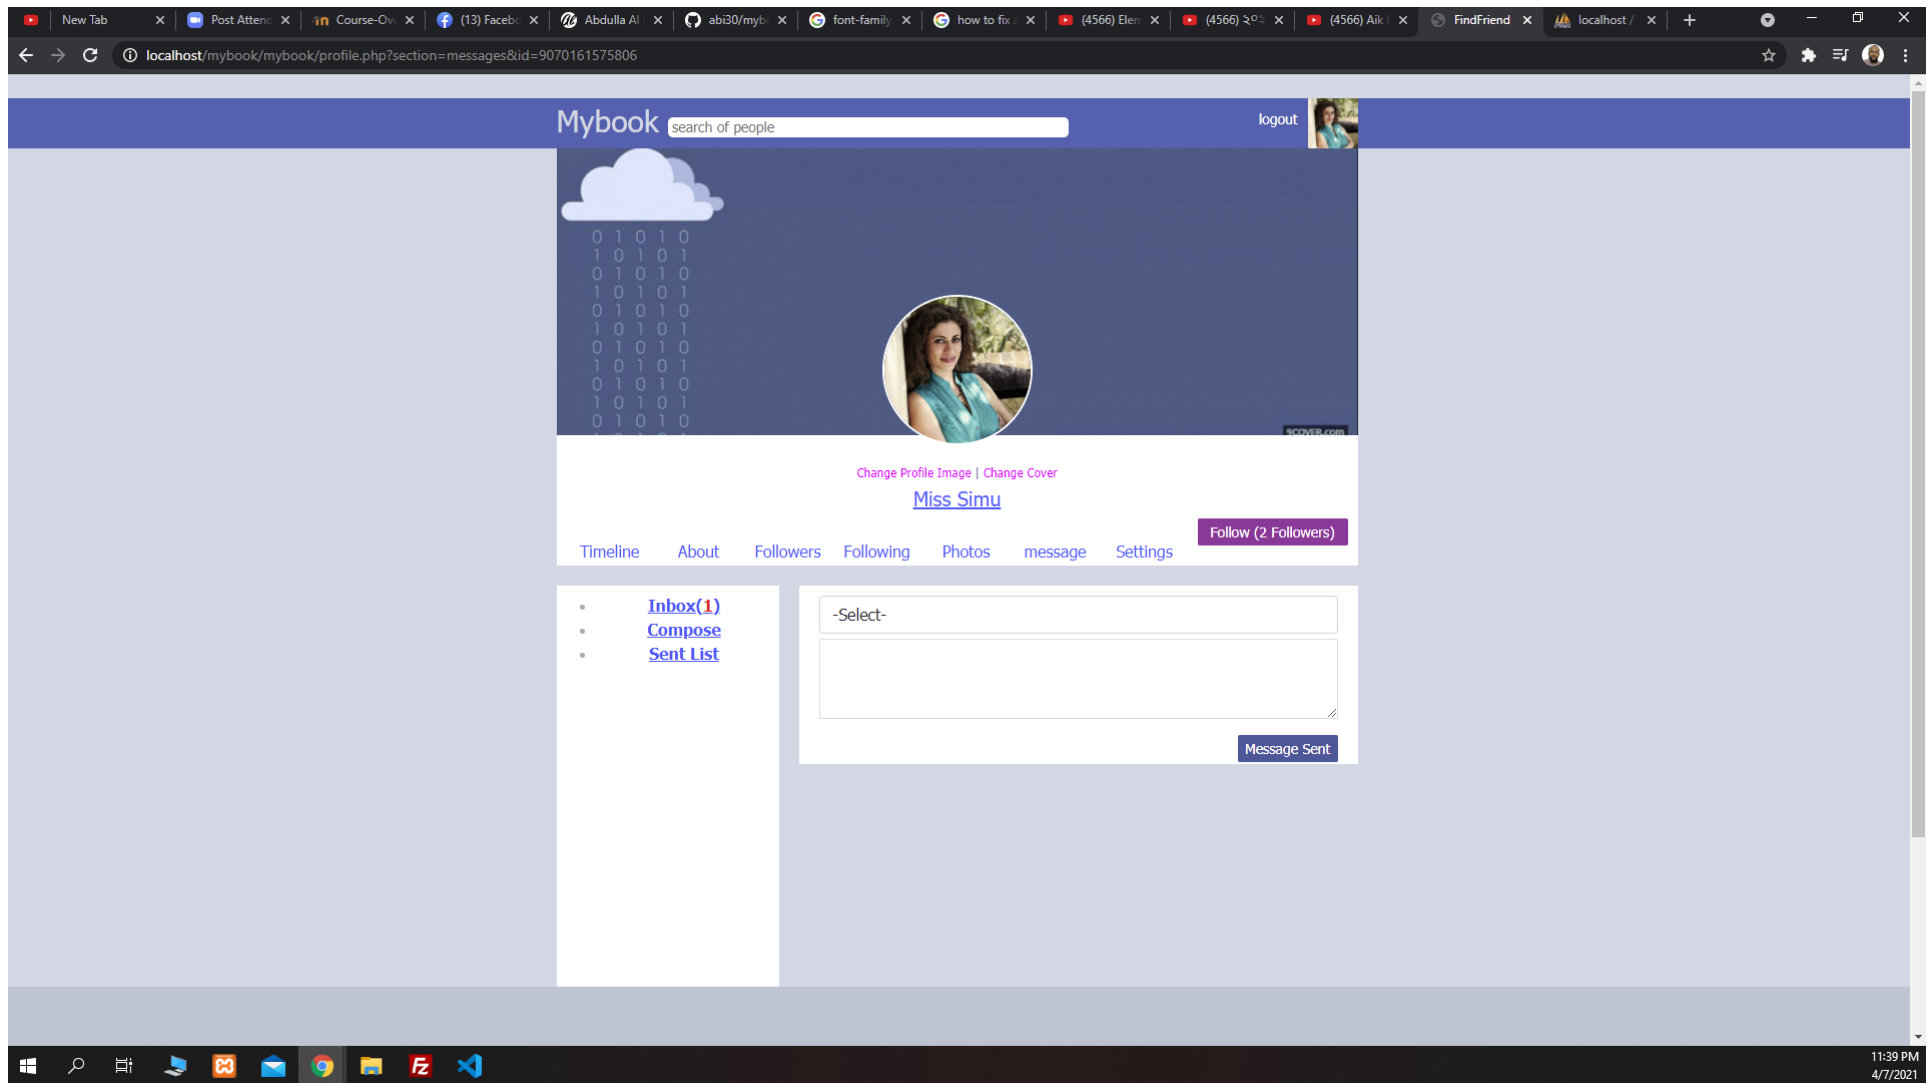

User can change all his document as if his/her required

Send message other users

After sending message system showed me message sent successfully.

I am going to check as a different user (**miss simu**)

Mr Rakib sent a message to miss Simu. Now we can see, an unseen message on miss Simu's Inbox (1).

After seen message

Database

The screenshot shows the phpMyAdmin web interface. The browser address bar indicates the URL: `localhost/phpmyadmin/db_structure.php?server=1&db=mybook_db`. The interface displays the database structure for 'mybook_db' on server 127.0.0.1:3306.

Database Structure:

Table	Action	Rows	Type	Collation	Size	Overhead
<input type="checkbox"/> likes	★ Browse Structure Search Insert Empty Drop	10	InnoDB	utf8mb4_general_ci	48.0 K1B	-
<input type="checkbox"/> posts	★ Browse Structure Search Insert Empty Drop	20	InnoDB	utf8mb4_general_ci	176.0 K1B	-
<input type="checkbox"/> tbl_messages	★ Browse Structure Search Insert Empty Drop	15	InnoDB	utf8mb4_general_ci	16.0 K1B	-
<input type="checkbox"/> users	★ Browse Structure Search Insert Empty Drop	9	InnoDB	utf8mb4_general_ci	160.0 K1B	-
4 tables	Sum	54	InnoDB	utf8mb4_general_ci	400.0 K1B	0 B

Below the table structure, there is a 'Filters' section with a search box 'Containing the word:'. Below that, there is a 'Check all' checkbox and a 'With selected:' dropdown menu. At the bottom, there is a 'Create table' button and a form with 'Name:' and 'Number of columns: 4'.

I took four tables in this project

Thank you for your attention.

Peace be upon you.

Abdulla al Rakib
